

INT. CONFERENCE ROOM — A LITTLE LATER

Niki and Amanda are seated across from each other. Niki takes a bite of a kale salad.

NIKI

Great call on ordering in.

AMANDA

I can't imagine doing Warrior 2 without some sustenance.

Niki laughs.

NIKI

Definitely.

Amanda uses the CRM to pull up some notes that Todd and Rachel took earlier in the day.

AMANDA

Don't mind me, I'm just pulling up some notes here. How was your test drive earlier, by the way?

NIKI

Honestly, it gave me a really good sense of what it would be like to own an X5. It was also a lot more peaceful without three kids and a dog who thinks he's a fourth kid.
Amanda chuckles.

AMANDA

Wow, we have a lot in common. I have an X5 — and a dog — two, actually! I've got to tell you, they have never loved a car more. They just curl up in the back and fall right asleep.

NIKI

That's good to hear! I was wondering how that would go.

AMANDA

So it looks like you're on the road quite a bit and Todd had talked to

you about a package with 10,000 miles
miles per year?

NIKI
That's right.

AMANDA
Ok, great. I also see that you're
interested in a wheel and tire
package, which is an excellent idea
with how much you'll be driving.
Say you had two flats in a year –
this could save you about \$1000.
