- A parent/guardian must accompany the baby.
- A nurse will be on set.
- SAG rate: \$1056 + fringes

### NYS Division of Labor, Child Performer Permitted Working Hours:

- Max hours on set: 2 hrs
- Max work hour: 20 mins.
- Minimum hours rest/recreation: remaining time on set
- Parent/guardian must apply for a NYS Child Performer Permit

### Back Story:

Margaret (played by Rebecca Hall) was in an abusive relationship with David who abducted and imprisoned their baby boy by ingesting him (metaphorically and physically). Believing her son is dead, Margaret escapes to start anew. Later, David returns to get Margaret back and convinces her that their son is alive and well. In the end, she gets her son back, by any means necessary.

### Action:

(Scene 1)

Margaret will lift Baby Ben, covered in blood, up and out of an FX abdominal cavity.

(Scene 2)

Margaret and Abbie hold Baby Ben, who is content and sleeping in their arms.
