## **SELF-TAPE INSTRUCTIONS:**

Give us two *different* reads (see audition sides below)

### **AUDITION SCRIPT: BOSS**

**BOSS** is tough and direct in the way he communicates with his crew. He gets irritated when things get out of hand at his shop.

**SCENE:** SAM has been late to work lately, and he's been helping out his co-worker, Bobby, so he hasn't been on top of his own work. The BOSS calls SAM into his office, and SAM is afraid he's going to be fired. On top of that, SAM needs to get to his son's school that afternoon, and the BOSS gives SAM a job that is at the SAME time...

**SCREEN DIRECTION:** Present lines to camera.

**FADE IN:**

**INT.- WORK FACILITY - DAY**

**BOSS:**

Where were you?

**SAM:**

Helping out Bobby over there.

**BOSS:**

So now Bobby's your BOSS?

**SAM:**

No sir.

**BOSS:**

Look, Bobby doesn't need your help. If he does it again, tell him to come see me. I need you back on what your real BOSS - *me* - asked you do. We've got an order coming in around 3 o'clock that I need you to unload.

**SAM:**

3 o'clock? How long will the order take?

**BOSS:**

As long as it takes. We wouldn't be in this situation if you were in on time and doing your own work.

**SAM:**

OK. I'm sorry.

**BOSS'S phone rings, and he waves SAM away as he says...**

**BOSS:**

Listen. Don't be sorry. Just get it done.
