

SCENARIO #1: EXAMPLE OF AN INEFFECTIVE INTERVIEW

Patrick interviews Shawn about an allegation of neglect. Shawn is a person with intellectual or developmental disability (I/DD) and lives in a group home where he is supposed to be under additional supervision. There was an incident where a lapse in supervision led Shawn to have sexual contact with another female resident. This scene is an example of an interview where the Patrick does not follow his training and treats Shawn as a perpetrator, showing more concern with obtaining information about the sexual act rather than the lapse in supervision.

SHAWN	Me? No, no
PATRICK	Did you ever do it?
SHAWN	Never
PATRICK	Never did it
SHAWN	Never in (inaudible) I would ever do that.
