OMH 988 SIDES: ROLE OF GAY SIBLING

INT. DINING ROOM

SIBLING sits at a dinner table, surrounded by older family members and siblings. Everyone around them is joyful: talking, laughing, enjoying the company - but SIBLING is uncomfortable, and only able to play along.

Taking a moment to themselves, SIBLING takes out their phone.

They hesitate - and then MAKE A DECISION.

They DIAL 988. After a moment, a counselor picks up.

SIBLING is relieved to be heard
