To the me I used to be—before texting 988.	A la persona que solía ser—antes de enviar un mensaje de texto al 988.
I felt lost. The people I loved didn't understand me.	Me sentía perdido. Las personas que amaba no me entendían.
But a 988 counselor who answered at 2 a.m. helped me realize that I deserve love as I am.	Pero un consejero del 988 que respondió a las 2 a.m. me ayudó a darme cuenta de que merezco amor tal como soy.
Now, I've finally learned how to be myself—full of hope, strength, and pride.	Ahora, por fin he aprendido a ser yo mismo—lleno de esperanza, fortaleza y orgullo.
