

\*Please note, below is a substitute audition script. The actual script will be available for callbacks.

**INSTRUCTIONS:**

1. Frame from the top of head to chest.
2. Filming with a teleprompter is encouraged but holding the script is also acceptable.
3. Take 1- English; label- Full name\_MHS\_ENGLISH
4. Take 2- Spanish; label- Full name\_MHS\_SPANISH
5. Attach acting reels/clips. Spanish speaking reels/clips a huge plus.

**DIRECTOR'S NOTE:**

Talent should feel confident, comfortable and calm. They know there are potential emergencies in their world that can give them stress, however they have practiced mental calming techniques, created an emergency plan for themselves and their family, their mind is at ease, and they are ready for anything that may come.
